

I was a Republican for most of my 74 years, but this continued type of anti-American conduct has turned me into an avid Independent. You ought to be ashamed, Sinclair, for backing a philosophy that has, through constant and unending lies, led us into an unnecessary war, and will bankrupt this nation if left unchecked. Real Conservatives of a bygone era must be turning over in their graves. I shall never watch any channel I know to be owned by Sinclair, and out here that means Channel 13, Sacramento - a broadcaster whom, to this point in time, I have enjoyed. Many unhappy returns, Sinclair ... you are disgraceful.
